Mary/Steve,

Since you are responsible for the DMRs for Pacific Operators, Freeport-McMoRan, Venoco and Beta Offshore, I would like to schedule when I should send the DMR forms to you. You've already received the ones for Platform Hogan, Houchin, Hidalgo and Gail; these are due 3/28/2015. I've already sent Marina Robertson, and cc'd Steve, the DMRs for Platform Ellen, Elly and Eureka. These are due 4/28/2015. I've attached Platform Harvest, which is also due 4/28/2015. How far in advance would you like to receive the DMR forms?

We are still encouraging DMR eReporting using NetDMR. Please note that the Propose E-Reporting rule will require all DMRs to be submitted electronically one year after the rule is final. HQs is proposing that the final rule will be published in the Federal Register by the end of this year.
